

SQUASH DOUBLES & LIVE BAND!!

On the evening of Saturday September 16th, our very own Nick Coggon and his band Crimson Skies are playing in the Rec Club in aid of Cancer Research.

This is a great opportunity for a “social squash get-together” with a few games of friendly Squash Doubles thrown in for good measure.

Interested? Sign up sheet available inside the Squash Club. Numbers are limited so don't delay.

Squash member Ben Harrison (mbl: 07960805700) has arranged the evening and tickets for pie & peas are available from him for £15 to both members and non-members.

SQUASH MEMBERS: There is no obligation to buy a ticket (though you won't get pie and peas if you don't), but there will be a raffle, so please show your support 👍😎

All proceeds are in aid of Cancer Research
